Re: United States v. Tyson, et al.,  
Civil Action No. 84-2663

Dear Brad:

Enclosed please find another comment from General Devices, Inc. regarding the ROD. As you will see, in the last paragraph GDI has expressed an interest in negotiating with the government to sell Tyson's Lagoons to the U.S.A. The government of course is not interested in purchasing this toxic waste dump.

Sincerely,

Edward S. G. Dennis, Jr.  
United States Attorney
